### Yoder's Gold Card Program

Please contact Kelli Beaver at [kellcmc@frontiernet.net](mailto:kellcmc@frontiernet.net) if you have any questions about your student's number or how to access this program. It is an effortless and easy way to earn money to add to your student account! Yoder's assists band students by offering 1% back on purchases. Each student has an ID number (which is designated during registration) to have their account credited. Friends and family members may register their Gold Card to be tied to your student's ID. When you register your gold card, the system will automatically credit your student's account with the 1% back. For those who don't have a specific student to support but would like to be of help, there is a Band Booster ID they can use to support the group as a whole. There are two months of the system totaling, then one month off for administrative purposes. Yoder's has timed the "off" months to be lower volume sales months - they are January, May and September. During the off month, Yoder's will send a report that lists each student's total for the month, as well as a check issued to the Band Boosters for the credited amount. The Boosters will then credit each student's account for use toward trips, etc.

If you haven't registered yet, go to the customer service desk at Yoder's for help or log on to [mycommunityrewards.com](http://mycommunityrewards.com) and click on the Yoder's Market logo and then "Register your Gold Card" in the menu to the left.
