Band Notes

Are you ready for some football?

As we begin another football marching season, preparations have been made, the band is ready, the team is ready and the fans are ready. Friday nights are an exciting time for our community as we rally around our kids in support of their efforts. There are a few reminders for the season.

1) When picking up your

students after home games, you must enter the school off of Tower Road and park in the marked spaces by the band room.

2) For away games and the Denver and Ephrata Parades, your students are asked to contact you when the buses are about 10 minutes from

home. Please arrive at the school to pick up your student as close to arrival time as possible.

3) After away games, please park in the marked spaces by the band room. If you are early, we can always use your help unloading the equipment truck.

Cancellations and corrections can be found on the band calendar at : www.gsband.com

Band Camp 2006 – Classic Rock By Valerie Martin

As usual, every year Garden Spot Spartan Marching Band Camp falls on the hottest week of the summer. And this year was no exception. The week of July 31st through August 4th had arguably the highest temps we've seen in awhile with highs in the 100s. But our tough band battled through the heat and humidity to put on a great show. Monday started with basics, as usual, and the freshmen learned a little about what band camp was all about when we started to chart "Highway Star." Monday evening was spent on the football field as we tried to finish the first song. Tuesday morning was basics then we finished the first chart and were marching to it with the c.d. by the end of the morning. Tuesday evening we worked on "Walk This Way," which proved to be a little more difficult than we thought as we tried to showcase our large and talented band front. By Wednesday morning, though, we had "Walk This Way" completed and we were making our way quickly through "Come Sail Away." Wednesday evening turned out to be successful as we finished the last chart completely and were beginning full run-throughs of the entire show! It is quite an accomplishment to have an entire marching show completely memorized by the third day of band camp. In my four year of marching band, I have never seen that!!! That only means Thursday and Friday were spent doing full run-throughs of the show without music, learning how to get on and off the field, spirit lines, parade marching, and sectionals.

Friday evening came all too quickly after a long week of hard work. The stands were full of parents, relatives, and friends who had all come to see our field show. You get such a rush marching from the band room to the football field for the first show of the season!! The band demonstrated basics and then performed a nearly perfect show. Afterward, Rita's provide Italian ice to celebrate with.

All in all, it was a great week. I believe we set a new record this year for the most Cool-Pops consumed, but we still had a good time despite the heat. Thanks to all the staff for your leadership and to the Band Boosters for the snacks. I hope everyone had as much fun as I did!!!

Senior Spot lights

Marjorie Grace Supplee

Marjorie is the daughter of Garry and Judy Supplee of New Holland. She has been in the band for 9 years and plays baritone. She is the youngest of 13, 8 brothers and 4 sisters. Her hobbies include reading, gardening, cooking/baking and listening to the radio. Her plans are to attend nursing school.

Marjorie would like to thank her parents, without them nothing would have happened. Her youth leaders and youth group for encouragement. My friends to be goofy with.

Parting words for the band—good luck to the few the proud, the girls in low brass.

Emily Rose Strittmatter

Emily is the daughter of John and Betsy Strittmatter of New Holland. She has been in the band for 8 years and plays the clarinet. Her hobbies include band, theater, going to the theater, and traveling. She plans to attend college.

Emily would like to thank her parents for always nagging her to practice and being a huge support. Mr. Fitz and Mr. Moll for their guidance and support since 7th grade! And for all there help this season to make me a better drum major and role model for the band.

Parting words for the band—"every song ends...is that any reason not to enjoy the music?"

Amanda Wise

Amanda is the daughter of Sharon and Terry Wise of Denver. She has been in the band for years and plays the flute. She has a younger brother, Brandon, age 13. Her hobbies include bowling, horse riding and band. She plans to attend college to become a registered nurse.

Amanda would like to thank her parents, for giving her a chance in 5th grade to play the flute and having a great time through high school.

Parting words for the band—Thanks for all the great times and I will miss being in the band.

Melissa Marie Witwer

Melissa is the daughter of Dave and Tammy Witwer of Terre Hill. She has been in the band for 8 years and plays the clarinet. She has a younger sister, Carly, age 16. Her hobbies include youth group, sign language, traveling, and music. She is still deciding on where to go to college and what her major will be.

Melissa would like to thank her parents, for always driving me to practices and making me practice at home even when I didn't want to. Thanks to her friends: band wouldn't have been the same without you!

Parting words for the band—Never stop trying your best! Good luck in the years to come!

Middle School Parents

.....Watch the newsletter for information for your middle school child. All fundraisers are open to all middle and high school students. Why not become active in the Booster program now, you do not need to wait till your student is in senior high. We look forward to seeing you at the monthly meetings!

Middle School Half–Notes:

Middle School Parents are always welcome at Band Booster meetings! The Meetings are held the 2nd Monday of the month in the Band room at 7:00pm.

Information for Music in the Parks will be coming home in the next few months. Please make sure to read the information and return form and deposit to Mr. Fitz as soon as possible .

Student Accounts

Three times in the coming school year your student will receive, through the school, a statement outlining your student's account balance. These statements will be distributed on or about September 15, January 15 and at the end of the school year. If during the year you wish to know your current balance, email your request including your student's name and grade to Tim Heitz at tjheitz@comcast.net This year there are over one dozen fundraising opportunities. Don't miss out! Your students can start saving money for this years Music in the Parks as well as future trips.

How to start a student account

Many parents are asking how does my child setup a student account? It's really quite easy. Any student who participates in a fundraiser or makes a payment toward a trip automatically starts an account. With Disney coming up in less than two years and Music in the Parks this year, we hope you are taking advantage of the fundraising events sponsored by the Band Boosters. The Student Account Policy can be found on the website along with order forms for fundraisers.

7th–9th grade band parents

You are invited to begin participating in the fund raisers! Disney is only 1-1/2 years away and the cost is expected to be around \$1000/student. Take advantage of the opportunities to earn money towards the trips now.

Fundraisers

Fundraiser forms, tally sheets and other important information can be found at the booster website: WWW.gsband.com
